

Filby Village Hall

Filby village hall was the perfect venue for our wedding reception.

Joy was so helpful and friendly and was always happy to answer any questions or help us with setting up. She even recommended a DJ for us who was fantastic!

The hall itself is spacious without being too big, the perfect size for our wedding. We were allowed to decorate mostly freely and the space was easy to transform.

I can't recommend this venue enough. Thanks again to Joy and all the people involved in running Filby Village hall.
